---

Let God's Word become personal to you.

---

Respond to God in prayer and thanksgiving.

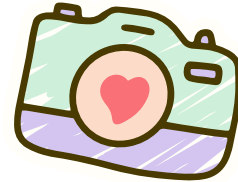

### Activity 1: Best pose!

Dance when the music is playing. When the music stops, strike the funniest pose and freeze for 5 seconds!

### Activity 2: Who is the best photographer?

Take turns to snap creative photos of family members.

Who is the best photographer?

### Activity 3: Read the story on pages 56–57 of Give Us This Day Our Daily Bread for Families and Kids, Issue 21.

Have you noticed traffic cameras on the road? Where do you normally see them and what do they do?

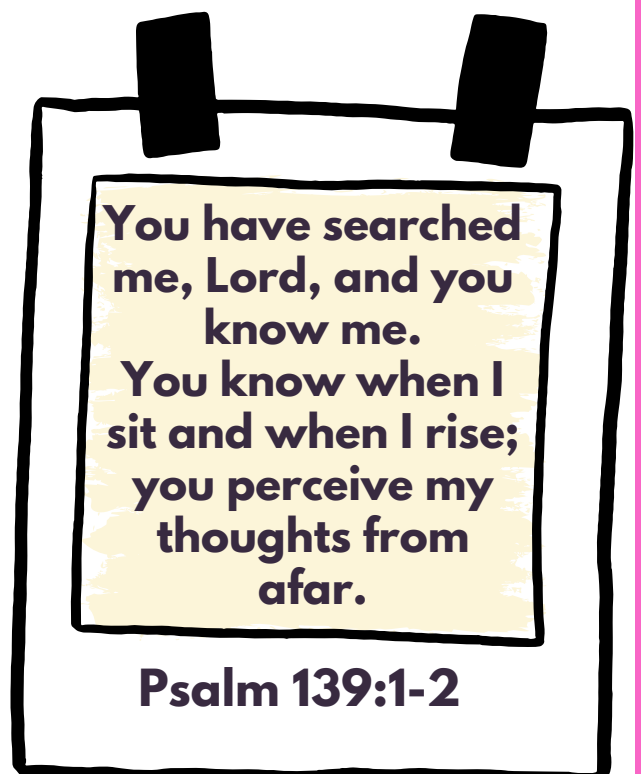

Are they effective?

Read Psalm 139:1–2.

To perceive is to see and notice.

How do you feel when you know there is a camera on you?

How about when you know God is watching over you and knows everything about you, even what you are thinking?

**You have searched me, Lord, and you know me.**

**You know when I sit and when I rise; you perceive my thoughts from afar.**

**Psalm 139:1-2**

Was there a time you thought of doing something wrong and God's Word or what you learnt from the Bible helped you not to do it?

Even if you did wrong, know that God loves you. You can repent. Say sorry, confess your wrongdoing and ask God to forgive you. Then say sorry to the person you wronged or hurt. Make a decision that your thoughts, attitudes and actions will be pleasing to God.

## Prayer

Dear God, You know everything about me. You know what I think and how I feel. Help me to always do what is right and pleasing to You. Thank You for watching over me. In Jesus' name I pray. Amen.
